Terms of Service (Ver. 1.1)

- 1) All contents (text and media) and required documents to be provided by client
- 2) Wherever third-party agencies are involved (for example hosting provider, payment gateway provider, etc.). then terms and conditions of those agencies shall be applicable
- 3) Clients shall have access to CLIENT AREA LOGIN on drut.in where they can raise ticket to resolve issues.
- 4) It is recommended that clients sign a NDA and communicate via admin@drut.in for highest secrecy and security.
- 5) Timelines for execution shall be provided with the MoU
- 6) Please note that in most cases we do not write the codes, we get it custom developed / outsource / purchase as per the project requirement. Therefore, in case of bugs and fixes, it may take a while to coordinate with them. Hence, clients are requested to remain patient and polite with the DRUT staff.
- 7) All the business policies (Terms of Use, Privacy Policy, Refund Policy, Shipping Policy – all included) have to be written by the client.
- 8) The key role of DRUT Knowledge Consulting in providing technological services is to translate the business strategy into a technologically viable solution. Hence, we are not a 'web developer' so to say; DKC remains a Knowledge Consulting.
